

# COVID-19 Update

**In accordance with Governor Cuomo's new policies, we are taking additional precautionary measures to help keep staff, animals, and clients safe. Effective at 1:00pm Saturday, March 21 and until further notice, ONLY STAFF will be allowed inside of the West Hills Animal Hospital. When you arrive in our parking lot please call us at (631)351-6116, and remain in your vehicle until you receive a call from us with further instructions. An attendant will come outside to get your pet. For your pet's safety, all pet's must be either be on a secure leash or in a crate. We respectfully request that you practice social distancing during your wait or remain in your car. We realize that these additional restrictions add an extra burden on you but we want to keep everyone as safe as possible during this unprecedented time. Adopting these measures will allow us to remain open 24/7 to continue to provide the best possible care for you and your pet.**

**Thank you for your patience & understanding.**
